Subject: Deficient Notice of Intention to Commence Small Mining Operations, Bryce Canyon Investments, LLC, Deer Springs Cinder Mine, S/025/0029, Kane County, Utah

Dear Mr. Clarkson:

The Notice of Intent to Commence Small Mining Operations (NOI), received by the Division on July 6, 2009, is incomplete. The following information is required:

1. According to the Division of Corporations, Bryce Canyon Investments has one manager, Barry Clarkson, but the NOI was signed by Dale Clarkson. It is imperative that the NOI be signed by a person with signatory authority for the company. Please provide either a signature page signed by Barry Clarkson or information, such as a signed document, showing that Dale Clarkson has authority to bind the company.
2. (page 3 of NOI) Please provide the address for State Trust Land Office that is administering your lease.
3. (page 5 of NOI) Please provide the length of the new road.
4. (page 5 of NOI and Operations Map) Page 5 indicates a total of 2 acres to be disturbed, yet the operations map shows 3.8 acres to be disturbed. Please make sure the text and the map identify the same disturbed acreage. The reclamation surety amount cannot be determined until this is provided.
5. Please provide a general location map which identifies the route to the site from the nearest public road.

Please provide your response as replacement pages to your original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at: www.ogm.utah.gov

If you have any questions regarding this letter, please call me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310. In reply, please refer to file number S/025/0029. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
